

Year 5 Electronic Instruction Day

We would like all Year 5 children to bring an electrical device or game with an **instruction manual** on

Friday 6 January 2017

As part of our English work, the children will be looking at the way in which instructions are written and how this makes them easy to follow.

Please make sure all equipment is named / in a named bag. All children need to give their devices to the **class teacher** at the start of the day and will only be allowed to use them during lesson time.

Please only bring devices if you have an instruction manual to go with it. No mobile phones please

Thank you!
