10 March 2017

Dr Bike Event at Oakwood Wednesday 15 March 2017

Dear Parents,

Now that the weather is improving, Oakwood is getting back on the bike! We are pleased to invite every child to a **FREE bike safety check** with Dr Bike.

What does Dr Bike do?

Stuart our **Bike It Officer (Dr Bike)** will be carrying out a simple **free safety check** on your child's bike at Oakwood Primary School during the morning of Wednesday 15 March 2017. A typical check will involve pumping up tyres, checking brakes, handlebars, the saddle and pedals. If there is time left, we may also be able to make minor adjustments to brakes and handlebars, but put simply this is **not** a substitute for a full service and any bikes which are identified as needing a lot of work will **not** be checked.

Bikes are to be left **unlocked** in the lower KS2 playground, with their locks attached, where Dr Bike will be stationed. **Lock keys** should be brought to the office in an envelope, with child's name, class and a brief description of the colour and model of your child's bike. This is so we can securely lock the bikes after the check. Children and parents can then collect their bike and key at the end of the school day.

Yours sincerely

Niall McPhillimy
Year 3 Teacher
