

MUSIC CELEBRATION CONCERT

Wednesday 12th July 2017 – 9.30am

Dear Parents,

We are so proud of year 3 pupils who have shown huge achievement in their development as young musicians this year in school as part of our MUSIC ON THE MAP project. To celebrate the children's success this year I warmly invite you to come and see our final celebration concert in school on **Wednesday 12th July at 9.30am** in the **Schools Hall**.

We will be bringing in our professional **Showcase Philharmagic Orchestra** in to perform with pupils. This will be such a special event for families and our superstar pupils to be further inspired to continue to learn to play a musical instrument with our superb team next year.

Oakwood Primary have fully funded our vital initiative which offers each child the profound opportunity to experience musical instrument playing for a whole year for free. I sincerely hope that our team have inspired many of our superstars to continue to learn to play next year as part of our lesson programme where lessons take place in smaller groups each week. We are excited for year 2 to take this project next year.

Please join us for this musical party and hugely uplifting and energetic show. Details will soon be released regarding how you can sign up for instrument lessons next year and we will have forms available for you to complete at the concert in July too.

I would appreciate it very kindly that you return the small slip below to confirm you consent for our team to take photos and video footage of the performance. It is vital that we have one of these slips completed for every child. Thank you for your continued support this year and we look forward to seeing you.
