

**Parents' Online Safety Meeting
Wednesday 17 October 2018 - 6pm**

Most of us are familiar and feel confident with social media apps such as Facebook, Instagram, Snapchat and Whatsapp. But, what about Kik, Tumblr, Musicly, ooVoo, Omegle...? How confident are you that your child isn't talking with strangers through games such as Minecraft, Fifa or Roblox?

Karen Grove, Local Safeguarding Lead, will be running a **Parents' Social Media Information Session** on **Wednesday 17 October 2018 at 6pm**. This is for adults only, but in order to assist with childcare and to make sure as many parents as possible can attend, we will be showing a DVD in a classroom for children.

This is mainly an information session, although there will be some advice about how to access parental controls in a range of Apps.

Please [fill in this form](#) to let us know if you are able to attend, and if you will be bringing your child(ren). Alternatively, just let the School Office know on 023 8074 2345.

Thank you.
