Dear Parents

## First Aid Training

In July 2018, the government published proposals for all school children in England to be given training in first aid and life-saving skills.

Meon Valley HeartStart offer life-saving training for free and have already trained hundreds of children across the region.

We have been lucky enough to be able to book them for KS2 children for next week (21 - 25th January).

This means all children in Years 3 – 6 will be receiving basic first aid training as part of their lessons.

You can look at what is offered here:

<https://www.heartstartmeonvalley.co.uk/schools>

Meon Valley Heartstart are affiliated to the British Heart Foundation Heartstart initiative. As a thank you for this wonderful opportunity, we would like to raise a few pennies in aid of the British Heart Foundation and would ask if you could be kind enough to make a voluntary donation of any spare change you may have. The teachers will all be contributing as well.

We hope you agree that this is a vital life skill, and we are pleased to be able to offer it.

Louise Moody  
Science Lead
