Dear Parent

Safer Internet Day Workshare

We would like to invite you to our Safer Internet Day Workshare event for parents of children in Years 1 - 6, on Tuesday 5 February 2019.

The theme is how we all give and receive consent for online activities.

There will be a short parent workshop in the hall from 9.00 - 9.25. This will focus on how we keep your children safe online in school and how you can help do this at home. There will be lots to think about and discuss, and some practical help too.

Following this, you will have a chance to visit your child's classroom to see the activities they are doing. Some will be using technology, some will be thinking about how to stay safe when they are online and you can join in with what they are doing and learn something too!

Workshare finishes at 10am.

We look forward to seeing you there.

Please complete [the response form](#) to confirm your attendance at the event.

Yours sincerely

Niall McPhillimy
Computing Lead

Ian Taylor
Headteacher and Safeguarding Lead
