

Handwriting Log

Level 3

Name _____ Class _____

Oakwood

The Handwriting Log system is designed to support children through a step by step approach to consistently neat and fluent handwriting in all written work.

- Level 1** Correct writing posture, suitable pen hold and correct letter formation.
- Level 2** Correct joins between letters.
- Level 3** Applying correct letter formation and joins to Spelling Log words.
- Level 4** Demonstrate fluent handwriting in 3 pieces of 'presented' work.
- Level 5** Demonstrate consistent handwriting across a range of writing in a range of contexts.
- Level 6** A special project, demonstrating consistent handwriting style, as well as experimenting with adapting handwriting for purpose.

This is the **Level 3** Handwriting Log — children need to demonstrate fluency in words to achieve their Yellow Badge.

It is important to note that when writing individual, lower case letters, they always start on the line. However, when joining, some letters join on the line and others join from the top. Children need to know where the letters join in order to develop a fluent handwriting style.

This log aims to promote fluency in handwriting linked to spelling.

In order to achieve the YELLOW handwriting badge, you need to demonstrate that you can fluently join words from the spelling logs.

You should practise this using the words from the log you are currently working on and any previous logs you have already achieved.

You need to demonstrate fluent handwriting in words you already know that have been chosen by random on four different weeks and by different adults in school.

Remember, any adult in school can test you - just ask!
