Level 5

Name _____ Class _____

Oakwood

The Handwriting Log system is designed to support children through a step by step approach to consistently neat and fluent handwriting in all written work.

- Level 1** Correct writing posture, suitable pen hold and correct letter formation.
- Level 2** Correct joins between letters.
- Level 3** Applying correct letter formation and joins to Spelling Log words.
- Level 4** Demonstrate fluent handwriting in 3 pieces of 'presented' work.
- Level 5** Demonstrate consistent handwriting across a range of writing in a range of contexts.
- Level 6** A special project, demonstrating consistent handwriting style, as well as experimenting with adapting handwriting for purpose.

This is the **Level 5** Handwriting Log — children need to demonstrate fluency in **all** writing to achieve their badge.

For this award, we expect to see consistently neat, fluent handwriting in all writing. There are different styles of handwriting for different purposes (eg note-taking should not be as neat as published work), however, even quick writing should be legible and fluent at this level.

For this award, you will need to show consistency in all written work.

In order to achieve your badge, you need to demonstrate fluent, cursive writing in all subjects.

Drafted work and notes, will, of course, be written more quickly than final pieces. However, even these should be legible and fluent.

To achieve your badge, you will need to show consistently neat handwriting in your English book and in other writing, such as topic work.

When you have 5 examples from a range of subjects, you can bring them to the office to earn your badge.
