Oakwood

The Handwriting Log system is designed to support children through a step by step approach to consistently neat and fluent handwriting in all written work.

- Level 1** Correct writing posture, suitable pen hold and correct letter formation.
- Level 2** Correct joins between letters.
- Level 3** Applying correct letter formation and joins to Spelling Log words.
- Level 4** Demonstrate fluent handwriting in 3 pieces of 'presented' work.
- Level 5** Demonstrate consistent handwriting across a range of writing in a range of contexts.
- Level 6** A special project, demonstrating consistent handwriting style, as well as experimenting with adapting handwriting for purpose.

This is the **Level 6** Handwriting Log — children will need to demonstrate a consistent handwriting style, as well as experimenting with adapting handwriting for purpose.

For this award we expect children to present a four part project in which they have explored and experimented with the use of different fonts for different purposes. We expect each part of the project to be handwritten and to demonstrate a consistent and fluent handwriting style.

This log provides the opportunity for you to examine and explore the use of different handwriting fonts through the presentation of a 4 part project.

In order to achieve the PURPLE handwriting badge, you need to demonstrate a consistent handwriting style, as well as experimenting with different fonts for different purposes.

In this 4 part project the following tasks need to be completed. All four tasks need to be handwritten but may also contain supporting documents and images from other sources.

Task 1	Present a portfolio on 'The History of Handwriting.'
Task 2	Explore how different authors use different fonts for different purposes.
Task 3	Present a sustained piece of writing which shows exploration of different fonts for different purposes.
Task 4	Present a Calligraphy manuscript on a topic of your own choosing.
