Additional Comments:

Mrs Raven and Miss Carter are absolutely fantastic. Miss Carter changed my daughter's confidence in school in the first two weeks which I thought was impossible. I could not be happier and relieved when I leave my children at school that they're in great hands.

My child has progressed and settled at Oakwood with the excellent help and support from your staff. I am eternally grateful and always recommended Oakwood to friends and family. Thank you all.

I recently had parents evening with Mrs McNally and I was so impressed with her enthusiasm, energy and passion to get the kids learning and building confidence.

Oakwood are amazing. My younger child is struggling due to not getting a space in the school for almost a year. His teacher is phenomenal and really supports him and gives me so much hope that he will catch up. She's just fantastic and I praise Oakwood so much as their old school was awful in comparison. My older child has thrived since joining Oakwood. She had no confidence before joining this school and words can not express how much I adore the work Oakwood have done. Amazing!

I was worried that my daughter wouldn't enjoy her time at school as she came from a nature nursery. She is always excited to get to school and is starting to make new friendships. She has started picking out new words when reading and tells me certain things about her day. I'm very pleased with the progress my daughter has made in just a few weeks of starting school. Keep up the good work.

Impressed by the new leadership team. Visible and friendly.

Everyone from the receptionist to head teachers are really very helpful and supportive.

Teaching staff have always been very supportive both educationally and from a pastoral point of view.
