

# Meet the Teacher

Hi Year 5,

My name is Mrs McInally and I am really excited to be your class teacher in September.

I loved our transition time together and I'm looking forward to getting to know you and your families in the next year.

You have probably seen me around the school before. If you haven't you would have certainly heard me as I'm not a quiet individual!

I am very enthusiastic and love having fun when we are learning together and making memorable lessons.

My favourite things:

I have a daughter called Hannah and a son called Matthew and love spending family time together going on McInally adventures!

I enjoy swimming and spinning, although not at the same time! And completing my rings on my watch.

I love all kinds of music and enjoy singing in the car like nobody is watching. You might get to hear my dulcet tones throughout the year!

I really enjoy cooking although BBQ's aren't my strong point as I'm usually too busy talking to notice the sausages are burnt!

I love being a teacher because my school days at Oakwood were amazing and I want to make the same positive and enjoyable experience for you. Team work is key and I enjoy interacting with children, learning from them and watching everyone develop.

**#dreambigandchangeyourfuture**
