

MEET THE TEACHER!

Dear Parents/Guardians,

I am so pleased to become your child's class teacher next year. I look forward to meeting you all and seeing a few familiar faces.

I know your child's time in Year 2 was cut short because of COVID-19 but please rest assured it will be my main focus to ensure all the vital missed learning skills are caught up. Your child's education and wellbeing are my main priorities and I hope that Year 3 can be a time for them to come back, settle in and flourish as they have done every year.

If you have any concerns or questions, please let me know I want to partner with you in order to best support your child.

I hope you have managed to enjoy the summer as safely as we are able to during this time. I am excited for next year! It's been such a long time for some of them since being in school I want to make the transition as fluid as possible.

Best wishes,

Tom Wills
