

# MEET THE TEACHER!

Welcome to 4NM! I am so thrilled to be your teacher this year! It's going to be a fun year full of lots of learning and many new adventures. I want to know all about you but first I am going to tell you a little about myself.

## What to expect in Year 4

This year we will be super busy learning through practical and written activities, discovery lessons, performance tasks and projects. We will be learning about the Romans, rivers, the water cycle, states of matter and lots more wonderful topics!

I am so excited to be your teacher and for you to be part of this awesome all-star class we have lined up this year. Enjoy your last days of the summer holidays and I'll see you soon!

Take care,

Mr McPhillimy
