

# MEET THE TEACHER!

Dear Parents/Guardians,

I am so pleased to become your child's class teacher next year.

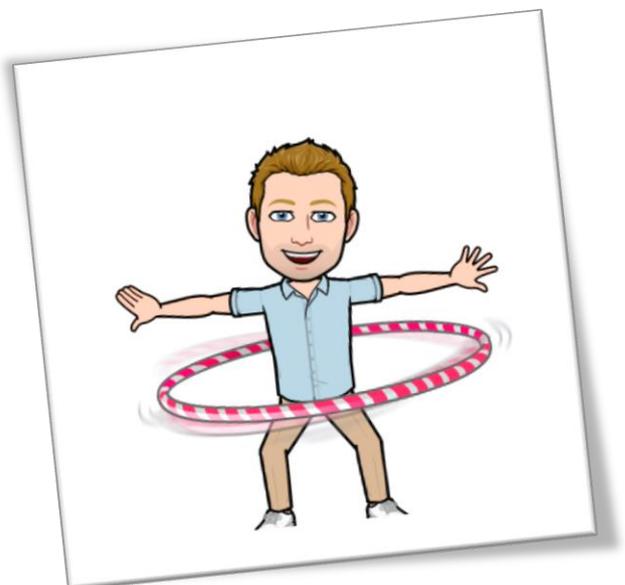

I know your child's time in Year 4 was cut short because of COVID-19 but please rest assured it will be my main focus to ensure all the vital missed learning skills are caught up. I hope that Year 5 will be a time for them to come back, settle in and flourish. Your continued support with Home Learning will be essential to helping ensure your child continues to make good progress in their learning.

I will conduct a full class handover with Miss Harrison, but if you have any concerns that are specific to your child please feel free to contact me and I will endeavour to help.

I hope you manage to enjoy the summer as a family and I look forward to welcoming your child to 5TA on the first day back!

Best wishes,

Tom Ackland

# MEET THE TEACHER!

- My Labrador Logan.

Welcome to 5TA!

I hope you are looking forward to being in Y5 next year. There's quite a few of you whose older brothers and sisters I have taught but lots of you I don't yet know - I'm looking forward to meeting you all 'properly' in September.

## What to expect in Year 5

We have some brilliant topics in Y5! Some will be the same as you expect, some will be new and some will be an extension of work you have done in other year groups.

I am so excited to be your teacher and for you to be part of this awesome all-star class we have lined up this year. Enjoy your last days of the summer holidays and I'll see you soon!

Take care,

Mr Ackland
