

## Meet the PPA teachers

Hello Everyone,

We are Mrs. Wilson and Mrs. Moody and we will be your cover teachers at Oakwood.

We are really looking forward to meeting and teaching all of you. Together, with TMC sports coaches, we will teach you when your class teachers have their time to plan, prepare and assess your amazing lessons.

Have a lovely summer and see you in September.

### Mrs Moody:

I have a passion for science, nature and animals.

I have all sorts of pets including cats, dogs, chickens, ponies, a budgie, a parrot, a rabbit and guinea pigs.

I love growing flowers, herbs and other edible plants. I'm also really interested in finding out how our world works and how we can take care of it.

I am looking forward to developing science across the school this year.

### Mrs Wilson

Some of you will know me already, I used to be in Year 5 and I am returning to Oakwood after having a baby. She is called Sophia and when we come back in September she will nearly be 1. I am really excited about doing PPA cover as it means I get to work with more of you, to help you be the best that you can be, of course having loads of fun along the way.

When I am not teaching some of my favourite things to do are:

- Sailing - I race a boat called an RS200 with my husband
- Kitesurfing
- Stand up paddle boarding
- Spending time with my family
- Going to the beach and exploring new places
