

MEET THE TEACHER!

Welcome to Year 1

Dear Parents/Guardians

We are very pleased to introduce you to the Year 1 team!

We understand that your child may be a little apprehensive about starting in Year 1 as their time in Year R was cut so short. We would like to take this time to introduce ourselves and let you know how excited we are to teach your child in September.

We are planning lots of fun learning for our new Year 1 children and we are really looking forward to getting to know them all.

We would like to reassure you that we want to work with you to make your child's transition to Year 1 as smooth and enjoyable as possible. Your child's wellbeing and education is so important and we will do everything we can to settle them back into school life.

If there is anything you would like to discuss with us please do not hesitate to email us your questions.
