9 September 2020

Dear Parents,

We are really excited to meet you and your child next week for your stay and play sessions.

To help us keep everyone safe and make it run as smoothly as possible, please can you be aware of the following:

- Only one adult to accompany your child for each session. For the first session where parents are staying with children, we kindly ask that the adult wears a face covering.
- Please enter the site through the main gate and follow the path on the left of the building. There will be a member of staff directing you to the Year R doors.
- Please make sure you follow social distancing guidelines at all times.
- For the first session, please bring your child's original birth certificate.
- For the second session where you leave your child, they will be greeted at the door. We kindly ask that you do not remain onsite while waiting for the session to end as our playgrounds are in constant use.

On these days we ask that your child wears their school uniform jumper or cardigan. It will help them have an immediate sense of belonging seeing others dressed in a uniform too. Your child is welcome to bring their own water bottle. They will not need to bring anything else.

If your child would like to bring in their sticker chart and share their success with us they would be more than welcome to do so.

Should you have any questions, please feel free to contact us.

We very much look forward to meeting you and to build a partnership with you.

Best wishes

A handwritten signature in black ink, appearing to read 'Mrs Raven'.
