Oakwood Schools Association is registered with Smile Amazon and we would like to encourage all our supporters who use Amazon for their online shopping to start using Smile Amazon instead.

You can access all the same products at the same prices as 'ordinary' Amazon. But up to 5% of the money you pay is gifted to your named charity.

If you already have an Amazon account, you can sign in with the same user credentials but you would need to log in via the [Smile Amazon](#) link rather than the usual direct Amazon web address.

If you are new to Amazon, just sign up using the Smile Amazon link above.

The first time you log in you will be prompted to select your chosen charity, so please search for **Oakwood Schools Association**. That's it! Once registered, you can continue to shop in the usual way.

Phone Apps

You cannot use Amazon Smile with the Amazon App on your phone. However, the good news is that you can set up a phone shortcut to the Amazon Smile website which gives a near identical experience to the app. It's very quick and easy to do.

1. If you have the Amazon App installed, please remove it. Don't worry, this will not delete your Amazon account or any of your settings.
2. Load your phone internet browser and type smile.amazon.co.uk to display the Smile Amazon web page.
3. Tap the 'share' button on the bottom of the screen and add to your home screen. This may differ depending on your phone type.

You will now have an Amazon Smile icon on your home screen which you can use in exactly the same way you used the Amazon App.

If you have any questions, please call Carol Donnachie on 023 8074 2345.

Thank you]
