As an Artist, what do I already know from previous learning?

- ◆ I have used a range of painting tools to experiment with mark making e.g. brushes, sponges, tissue, fabric, string
- ◆ I have played with colours and experimented to 'discover' new colours.
- ◆ I know that colours can be made darker or lighter by adding black or white or by adding more water/pigment.
- ◆ I have painted shapes, lines and edges neatly.
- ◆ I know how to hold and control a paintbrush. I have blended colours in a palette or on a painting surface. I know how to look after brushes and equipment.
- ◆ I can orally describe my work and know the meaning of the words colour, line, tone, shape, texture and pattern.

As an Artist, here's what I will have achieved at the end of the topic

I will have created an abstract piece of art using different and shapes in an interesting way.

I will have created a work of art in the style of a modern artist.

I will have learned how to mix different shades of green.

I will have taken when trying out, investigating and exploring different materials and techniques.

I will have used my sketchbook to practice and try out ideas and techniques; record observations & research well known artists.

I will have made careful judgements about my own and others work and used this evaluation to understand what I need to do to improve my work.
