

Year 1

Text and Images

Using IT

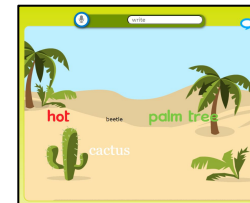

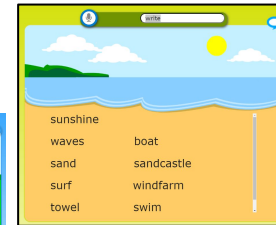

Respect, Believe, Achieve

Key Words

word processor		space	
keyboard		backspace	
keys		text cursor	
letters		google docs	
toolbar		microsoft word	

What do I already know?

- I can use the mouse to select, drag and colour
- I can use the keyboard to write my name
- I can use a touch screen to select
- I can use two fingers to pinch and stretch

Our Learning Steps

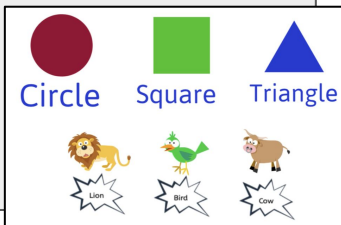

1. Make Where's Wally

I will open a drawing tool. I will use character stamps to create a complex picture.

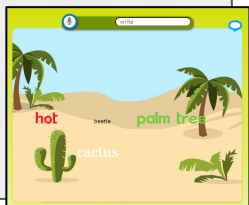

2. Labelling

I will use words to label pictures to help children learn about my topic.

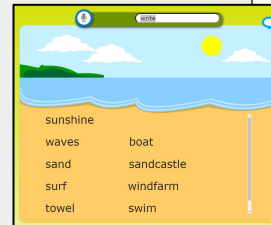

3. Changing words

I will select or type words. I will change how my words appear with Junior Tools writer.

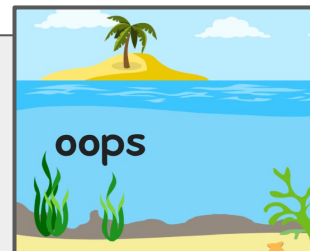

4. Making A Word Bank

I will use the mouse to select text and move the text cursor. I will change the font and the size. I may choose to write sentences, or publish writing from English.

5. Proofreading

I will fix a piece of writing which contains mistakes. I will use The undo button and the redo button.

6. Assessment: My Wordbank

I can type a piece of writing. I can change the writing using the mouse and tools. I can fix my mistakes. I can explain my choices.
