Concept - Sacred (Special)

Topic - Places of Worship

Topics that I have learnt that will help me:

- That different religions use special symbols that are special to them to help them remember their beliefs.
- Christians special place to worship is called a church.
- Hindus special place to worship is called a Temple (Mandir).

At the end of the topic:

I will know that different religions have different sacred places.
I will know that not all sacred places are in building.

Sacred	Something that is holy and used especially for a religious purpose.
Synagogue	A building where Jewish people meet to worship.
