## Spelling Bank 6

Name \_\_\_\_\_ Class \_\_\_\_\_

Oakwood Primary School

## Home Learning

Children are taught all spelling patterns and strategies within their lessons at school. As well as bringing home their Spelling Bank for additional practice, In KS2 weekly assignments will also be shared on Spelling Shed. Pupils will also take part in a fun weekly Spelling Shed Hive game in school, in order to support retrieval and monitor their progress.

## Parental Support

As part of their spelling lessons over the year, children will build up a repertoire of ways in which they can remember tricky spellings - including mnemonics, making connections, playing games and digging deeper into how fascinating words can be. This can be supported at home by practising little and often and making it fun. There are a few ideas to support your child's spelling at the back of the Spelling Bank.

## Why not practise your spellings like this:-

### 1. Circle the Right One

Get someone to write out your spellings for you but include wrong spellings. Can you circle the right spellings and explain how you know?

### 2. Naughty Letters

Spot the 'naughty' letter in a word-the letter that is unexpected or which you often miss out or get wrong. Write out the letter larger or in a different colour to help you remember it.

### 3. Pyramid Words

Write the word a letter at a time in a pyramid. This means you will be repeat practising the spelling building up a letter at a time.

### 4. Spot a word in a word.

E.g. There's a rat in sep-a-rat-e !

### 5. Say the word aloud to a rhythm.

For example M-I-S-S-I-S-S-I-P-P-I

You can sing, rap, clap the letters to a rhythm to help memorise it. Change you voice-whisper it, sing it, shout it like a giant, whisper it like a spy etc.

## 6. Mnemonics

Choose a tricky word with an unusual spelling e.g. ough. Make up a word for each letter e.g. **Open Up Granny's Handbag** or **Oh U Grass Hopper**. Make sure your Mnemonic is easy to remember.

## 7. Repeat Copying

Write out the word several times in different sizes and different colours. Then look, cover, write and check.

## 8. Make a word map.

These are just a few ideas. Why not ask your class teacher for their top tips and do a safe internet search for more ideas.
