Year 2
Digital Art
Using IT

| Key Words			
canvas		**fill**	
brushes		**undo**	
shapes		**stickers**	
lines			
colours		**text**	
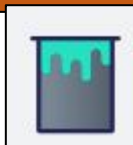

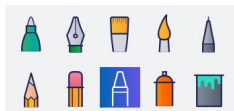

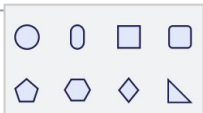

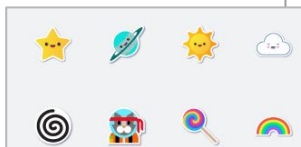

What do I already know?

- I can use simple technology like a tv or a tablet
- I can open and use apps or programs
- I can access online tools from the school website.
- I can use the mouse, keyboard and touch screen
- I can change writing size and colour
- I can fix my mistakes
- I can explain my choices

1. Drawing rectangles and lines
I will use the draw square tool to make a rectangle. I will draw lines and undo them. I will select colours and use the fill tool.
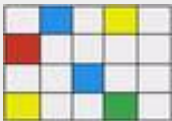

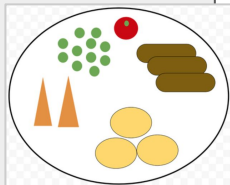

2. Shapes and colouring
I will draw shapes and colouring them using different types of brushes.

3. Simple Drawing
I will use colour and shapes to draw objects. It might be food, minibeasts or objects at a beach.

4. Experiment and plan
I will play with other tools to see what changes I can make. I will plan a drawing of a house.

5. My Drawing
I will draw a picture using a range of art tools to match my plan.
